WHAT THIS RETREAT IS ALL ABOUT

It's about getting a bunch of dads and their sons away in the mountains and having a blast! During this short day and a half retreat we will rock climb, repel, hike, paintball, eat some tasty grub, do some more things around the campfire, worship, look at scripture and even sleep... a little. We're planning it to be a weekend a dad and son will never forget. Read the following details so you can get in on this wilderness adventure.
