

## SCRIP Frequently Asked Questions

### What is scrip?

**Scrip is like gift certificates**, with one difference: you get *more* than you pay for. Each participating business gives back to you a percentage of the money you spend with them. This money is held in an account for you and can be used for just about any church event. It's like a church-wide scholarship program. While scrip is especially well suited for purchasing necessities, like groceries and gas, they also make great gifts! Remember: When you buy scrip you earn free money to pay for camps, activities, and events!

### What kind of scrip does NCC carry?

**All kinds.** We carry most major supermarkets such as Stater Bros., a large selection of restaurants (from Burger King to the California Pizza Kitchen), store scrip including Macy's, Bath and Body Works, Home Depot, and Best Buy, and more. We even offer gas cards! While we do not always have scrip on hand, any scrip we offer can be ordered and usually arrives within a week. For a complete list of the scrip we offer, drop by the front office.

### Where can I order scrip?

**At the Front Office:** Monday- Friday, 8:30am- 5:00pm. You can place and pick up your order during regular business hours at the front desk or ask to talk to Kim Sonoda (724-6700 x191) and see what scrip they have on hand to take home today! Scrip is also available on weekends in the plaza near the Edge.

### Does it really save me money?

**Yes, yes, yes!** Many parents pay for every one of their children's Junior High activities using only funds in their scrip account! This program was designed and adopted by the church to act as a scholarship program: we don't make any profit. We offer this service because we know that camps can be expensive and if you are determined that your student will go to camp this is a great way to minimize the cost of those activities.

Friends and family can help too by buying scrip and requesting that the scrip funds go to your account. This way grandparents and other relatives can help send your student to camp.
