## Grow at Home

Find a quiet place, away from distractions. Spend some time praying for God to help you understand what you are going to study.

What does it mean to be “prepared for the future?”

Can you control the future? What can you do about the future?

Read Psalm 23

1. What does this passage say God does? List everything here:

2. What does verse 4 say? What do you think that means? What things did David face that would make him say this? (1-2 Samuel)

3. Does David have enemies? Do you think life was easy for David? Do you think your life is easy? Do you think David prepared for the future? How or why?

Read Proverbs 16:9, 21:31

1. What do these verses have to do with preparing for the future? What kinds of things should you start (or stop) doing now to prepare for *your* future? Make a list here :

Spend some time in prayer asking God how He wants to change and grow you. Make sure you share with someone what you learned today.
