Grow at Home

Find a quiet place, away from distractions. Spend some time praying for God to help you understand what you are going to study.

What are some things you need? What are some things you want? What is the difference?

Read 2 Peter 1:1-11

1. What will be ours through “the knowledge of God and of Jesus our Lord?” How do you think we get this knowledge?

2. What things are we supposed to add to our faith? List them here:

3. What does it say will happen if we have these qualities? If we don't?

4. Does it seem like they are in an order? Where would you place yourself at? faith-goodness- knowledge- etc. What are some steps you can take to increase these qualities? Which do you need to work on next?

Spend some time praying that God would reveal more to you. If you have questions write them down and then go look for answers! Make sure you share with someone what you learned today.
