Grow at Home

Find a quiet place, away from distractions. Spend some time praying for God to help you understand what you are going to study.

What is the "Sermon on the Mount"?

Read over your notes from the weekend. What stands out most to you?

Open your Bible to Psalm 51

1. Write down your thoughts as you read here:

2. What are "transgressions"? What is "iniquity"? Look these up in the dictionary if you need to. What does this passage say about sin? Is there any sin in your life right now that you need to confess to God? Spend some time in prayer talking to God, thanking God and listening to God.

3. Read vs. 16-17 again. What does this mean? How is the attitude of the Psalmist different from your attitude right now? How is it the same? What are some things you can start doing today to change your perspective and live like a follower of Christ?

Spend some time in prayer thanking God for His gift of life!
Make sure you share with someone what you learned today.
